RADICALLY SHARED ALIVENESS

A heart-felt invitation to the Firekeeper Gathering 2025

We are excited to announce the **Firekeeper Circle 2025!** It's taking place from **June 19th to 21st 2025** in **Männedorf, near Zürich, Switzerland.**

Firekeeping

Dear Firekeepers all around the planet

This year's Firekeeper Gathering will be hosted by the place and its people at [Hotel Boldern](#). The new location - close by the waters of Lake Zurich, with view on the mountains and surrounded by meadows and

forests - allows both being all together at the same location as well as space for individual retreat opportunities, in- and outdoor.

Today we would like to share all the details and logistical next steps with you for our time together in Zürich, in the hope that many of us will be able to get together again.

Firekeeper Gathering 2025

Location [Hotel Boldern](#), Boldernstrasse 83, 8708 Männedorf (CH)

Focused collaboration time

June 19 - 21, 2025 (Thursday we start at 9am – Saturday we will end with a shared dinner). In order to cherish this precious time we would very much appreciate it if everyone would try to be present for the entire duration of the gathering, to ensure that we can work through the various layers and aspects of our work and the thematic strands.

Arrival

Ideally, you **arrive on 18th June 2025** (Wednesday). This allows us to enjoy a dinner and spend the evening together.

Public Event

After the Firekeeper Gathering, the public event is taking place, on **June 22nd, 2025**. We hope that that you may stay for the whole experience. The focus for the public event will be on [“The Aliveness of the Earth - A Journey to the Microbiome of our Planet”](#).

Action Step: Preparing for the Firekeeper Gathering 2025

Linked you will find the form [“Firekeeper Gathering Planning 2025”](#). Thank you for returning your completed survey **by February 23th**.

The [“Firekeepers Practical Guide”](#) provides you with hopefully most of the details you need to plan and prepare for your travels to attend our

events easily.

If certain thematic strands working groups would like to meet a couple of days earlier, please let us know. We would be more than happy to support working circles to meet prior to our larger Firekeeper Circle gathering.

As you may have read in our previous Firekeeper email and the latest newsletter, we are excited to share that **our team is growing**: Since January, **Sylvia Wyrsh** joined the team to support with Coordination and Administration, **Erich Züger** is our Voluntary Network weaver and **Yvonne Guldemann** has stepped in as our new Event Manager.

Hence, for all event, travel and accommodation related questions and thoughts, feel free to contact Yvonne for further support and guidance. Her email is: yvonne.guldemann@worldethicforum.com. For content related thoughts, ideas and questions thanks for reaching out to Luea, Anaïs and Linard.

We are looking forward to our time together, even if it feels still a bit far away. In the meantime we will see each other in our upcoming calls and in the respective thematic strands.

With love and care,
warm regards

The World Ethic Forum CoreTeam,
Luea, Anaïs, Linard, Sylvia, Erich and Yvonne
